

# Widener University Delaware Law School

## 2024-25 Recruitment Schedule

Join Delaware Law School at one of our recruitment events in Spring 2025.

In addition to our on-campus and virtual recruitment events, our Admissions team travels to events throughout the region and country to meet with prospective students. This schedule will be updated regularly – please check back for new events as we add them.

Many events require pre-registration with the host organization.

If you would like to have our Admissions team visit your school – in person or virtually – please contact us at [delawarelaw@widener.edu](mailto:delawarelaw@widener.edu).

We look forward to meeting you.
