

# SUMMER 2026 INTENT FORM

## Legal Studies Students

*Do you want to borrow a Federal Loan for Summer 2026?*

Name: \_\_\_\_\_

Student ID: \_\_\_\_\_ Expected Graduation Date: \_\_\_\_\_

**ENROLLMENT CRITERIA:** Legal Studies Students (BS, AS, Certificate) are undergraduate students and must be enrolled in at least 6 credits (half-time) to be eligible for a summer student loan. Due to new loan regulations, students enrolled less than full time (12credits) must have their loan eligibility reduced proportionally according to the number of credits enrolled.

### Indicate the number and type of credits you intend to take during 26-27:

Summer, 26 \_\_\_\_\_ credits      Fall, 26 \_\_\_\_\_ credits      Spring, 27 \_\_\_\_\_ credits  
 Bachelor       Associate       Certificate

### Legal Studies Loan Processing

In order to have a Federal Financial Aid (grants/loans) processed for periods of enrollment including summer, a student must have 26-27 FAFSA results, a DLS Data Form and a Summer Intent form on file. Federal Direct Loans will be disbursed in equal amounts for Summer, Fall and Spring and your loan disbursement may not cover your tuition amount. Students needing additional funding to help cover expenses may apply for a private education loan. Federal Direct Unsubsidized Loan charges a 1.057% fee that is deducted at the time of disbursement. Please keep that in mind when deciding on your requested loan amount.

- I am authorizing the Financial Aid Office to process my 2026-2027 Federal Direct Subsidized/Unsubsidized Loan for the maximum amount for the academic year. I am aware that this will result in equal disbursements for each semester and that I am responsible for managing any refund received to pay my expenses throughout the academic year.

Example of a full-time

student borrowing 5,500: Summer 26 = \$1,834      Fall 26 = \$1,833      Spring 27 = \$1,833

- I am requesting \_\_\_\_\_ for the 2026-2027 academic year (summer, fall & spring). I do not want the maximum Direct Subsidized/Unsubsidized Loan possible. I am aware that this will result in equal disbursements of my Federal Direct Unsubsidized loan.

**NOTE:** The options presented represent the best information the Financial Aid Office has at this time. We are still waiting for guidance from the Department of Education on implementation of the changes in loan regulations because of the OB3 legislation. Loan changes after July 1, 2026 may be necessary. I
