The Healthcare Compliance Symposium 2018 will bring professionals from the healthcare and legal communities together for a day of discussion and learning on the campus of Delaware Law School. Thought leaders will provide meaningful insight on time-sensitive topics including: elements of a compliance program, HIPAA Privacy and Security, OSHA, and Human Resources for compliance.

Attendees are eligible to receive CME, CLE (4 substantive CLE credits), and CEUs while networking with industry peers. Admission to the symposium includes continental breakfast, lunch, and an evening networking reception. Attendees also receive a complimentary copy of First Healthcare Compliance's *The Fundamentals Guidebook*! This is a comprehensive resource designed to help physicians, compliance professionals and other healthcare professionals in private practice, hospital networks and health systems, healthcare billing companies and skilled nursing facilities comply with federal rules and regulations and to better understand their compliance responsibilities at a time of heightened scrutiny and increased regulations.

Rooms are available at a discounted rate at the DoubleTree by Hilton, located at 4727 Concord Pike, Wilmington, DE 19803.

About Delaware Law School:

The only law school in the state, **Delaware Law School** is enmeshed in Delaware's unique legal culture which prizes civility and respect within the bench and bar. Delaware's preeminence in corporate law, bankruptcy, and intellectual property, combined with the Law School's influential presence in Pennsylvania and New Jersey, give students abundant opportunities for clerkships, externships, pro bono experiences, and permanent employment after graduation. With specialized programs in health law and regulatory compliance and ethics, **Delaware Law School** leads the way in formalized compliance education.
