Summer Advantage Program

Widener Law Delaware now offers students a way to start their legal studies in the summer. The new Summer Advantage Program provides all students admitted to the fall 2015 entering class the opportunity to start law school in June instead of August.

Students in the Summer Advantage Program will take Criminal Law, a three credit required course. Students who successfully complete Criminal Law during the summer will not need to take it during the school year. Instead, successful full-time students can position themselves to gain practical experience earlier in their law school careers. The Summer Advantage Program also makes it easier for part-time students to graduate in three-and-a-half years or to lighten their course load in one semester of their four years of study.

The program will begin June 1, 2015, and will meet Tuesday, Wednesday, and Thursday evenings for seven weeks. The final examination is on July 21st. A required orientation session will be held on Monday, June 1, 2015. The orientation session will begin promptly at 6:20 pm. All students must register with the Admissions Office prior to the start of the orientation session. You may register beginning at 10:00 am in the Admissions Office on June 1st. Attending the Summer Advantage Program Orientation Session will eliminate the need to attend some portions of the fall orientation currently scheduled to begin on August 10, 2015. A fall orientation schedule will be provided to all students when it is finalized.

We are also pleased to announce a $500 grant will be awarded to every student who registers for the program. The grant will be applied to tuition charges in July. Financial Aid is available for this program.

On-campus housing will be available during the summer. On-campus housing information is included.

If you are eager to begin law school this summer, rather than waiting until the fall, we hope you will take advantage of this opportunity. Please return the attached form no later than April 1, 2015, to reserve your seat in the Summer Advantage Program.
