

TAP INSTRUCTIONS FOR ORDERING TEXTBOOKS

You should order your books online in time to prepare for your first TAP classes. The required texts and first assignments for each class are listed here: delawarelaw.widener.edu/TAPMaterials

You may order books from the Widener University Bookstore (information below) or another vendor. If you order from another vendor (Amazon, Barnes & Noble, etc.), be sure to get the correct edition of the required textbook.

You do not need to buy new copies of any of these textbooks. Used copies or rental copies are absolutely acceptable and, in most instances, significantly cheaper. Students may rent or buy used books from Amazon (TAP books are available here to rent or buy), Alibris, Campus Book Rentals, chegg.com, or other online rental sites. Students may also opt for e-book versions of their textbooks, which are available online. For example, the Contracts e-book is available here: <https://cap-press.com/books/isbn/9781531029234/Contracts-Fourth-Edition?srsltid=AfmBOor9oKMfXJF0vMtVwd51QuPJf62AMwjPyLbTSIN4WWOXpDBvruX4> and the Property e-book is available here: <https://cap-press.com/books/isbn/9781594604997/Property-Law?srsltid=AfmBOop8pBud8m8GNFANRswygD39M3dgtT3urprcJJPlpypqVw4rj1o7->
