The Cost of Attendance provides for an approximate monthly living expense budget of \$2,665 for a student living off-campus after paying for books, tuition and fees.

Widener University Delaware Law strongly encourages students to live within or below our standard budget. Appeals to increase the COA may be submitted for unusual or emergency situations.

Students wishing to appeal the COA must provide a breakdown of their monthly living expenses along with documentation of payment by the student and an explanation as to how the standard COA does not meet their needs. Please be advised that adjustment, if approved, can only be for expenses necessary for the student's education.
